SUSTAINABLE TOURISM

Biodiversity's Management has been certified with Global Sustainable Tourism Council, to guide them in its sustainable path. All Biodiversity activity is respectful of the natural and cultural resources of the area. Your visit contributes to eco-tourism in Raja Ampat efforts. It is your turn to enjoy Nature responsibly and become an example for other travelers.

Living in peace and harmony with the environment and the local community has been the objectives of Biodiversity. The Eco Resort has implemented a range of initiatives, working together with village officials, with special emphasis placed on the local community, where the hosts are involved in programs to improve living standards and opportunities for local residents.

Beyond the diving trip, you will make a positive contribution !
