

KOROWAI TREKKING

12 DAYS / 11 NIGHTS

Korowai is a tribe found around 35 years ago in the remote part of Papua. Up until the 1970s, there had been no previous recorded contact between them and the western world. Some of them still have probably never seen a white person in their life.

One of the most remarkable engineering feats of the isolated and primitive tribe is their ability to construct great treehouse which sit 140-feet high in the jungles. And also the Korowai tribe is one of the last known tribes in the world to have been cannibals.

Meet the Korowai tribe will be one of the most fascinating experiences of your life.
