After breakfast, departure to Ubud. Before we will visit Tanah Lot, probably the most charismatic one of the island. . Our next stop will be the village of Bedugul, located in the jungle area of the island. This part of the island is colder, so the Balinese take advantage of Bedugul to plant vegetables and cereals. This is why the market of this village - that we will visit in the morning - has special colours. Later on, we will visit the botanical garden and the Ulun Danau Bratan Temple, situated by the Lake Bratan. We will have lunch in the village of Pacung and then we will go to the rural area of Jatiluwih – in Balinese language this means really wonderful – where we will see one of the most beautiful landscapes of the whole island with never end stepped rice fields. In the evening arrival to Ubud.

#### **DAY 7 : TEGALALANG – GUNUNGKAWI – SEBATU WATERTEMPLE – TIRTA EMPUL – TEGENUNGAN WATERFALL**

Leave the city behind you and surround yourself in the emerald countryside of the highlands of Bali on this Ubud One Day Tour. This one day tour takes you cultural and historical around the city. During this tour you will stop at the picturesque Tegalalang rice terraces, visit Gunung Kawi Sepatu Water Temple, Tirta Empul Temple and Tegenungan Waterfall. You can even squeeze in a visit to Gunung Kawi Temple if you have the energy.

We recommend starting the tour early in the morning at Tirta Empul Temple. This is the best time to visit as you'll have the temple to yourself without the coach loads of tourists.

After visiting Tirta Empul you have the option of visiting Gunung Kawi Temple. The architecture and the setting make Gunung Kawi one of the most unique temples in Bali. Alternatively you can go direct to Gunung Kawi Sebatu Temple, which is one of my favourite temples in Bali.
